### Experience

#### FREELANCE DEVELOPER

Argentina

##### Freelance

March 2024 - **Present**

As a freelance developer, I specialize in the design and development of web and mobile applications, committed to delivering results that align with the goals and needs of each project, maintaining clear communication during each stage of development.

#### SOFTWARE DEVELOPER

Argentina

##### Universidad Tecnológica Nacional

February 2024 - **Present**

As a Fullstack developer, I specialize in developing applications from scratch, following each stage of the development process accurately. I also focus on implementing new modules and functionalities in existing applications, and resolving errors to optimize their performance.

#### FUNCTIONAL ANALYST

Argentina

##### Universidad Tecnológica Nacional

April 2023 - January 2024

Responsible for analyzing and gathering requirements for software development projects, creating use cases, user stories, and diagrams, and performing QA testing to ensure software quality.

### Education

#### Technical Degree in Web Development

Argentina

Universidad de la Matanza

April 2021 - **Present**

#### High School Graduate (Accounting Focus)

Argentina

Macnab Bernal School

January 2004 - November 2018

### Certifications

#### Docker and Kubernetes

July 2024 - November 2024

#### Bootcamp Credencial UTN

January 2024 - March 2024

#### Database Management Diploma

August 2023 - October 2023

#### Web Development with React

August 2023 - November 2023

#### Web Development with JavaScript

April 2023 - June 2023

#### Full Stack Web Development
